

A photograph of the British rock band The Kinks. The four members are standing in a row, all wearing identical bright red double-breasted suits and white shirts. They are positioned in front of a large, dense hedge. The band members are looking towards the camera with varying expressions. Overlaid on the image is white text.

New Album Released  
**State of Confusion**

## THE KINKS

The Kinks is one of the most dominance rock bands in 1960s. They were started by brothers Ray and Dave Davies in Muswell Hill, North London, UK in 1964. "You Really Got Me", the third single had hit international top charts both in UK and US. Their musics were mainly reflecting on English Culture and lifestyle which made them gain reputation during that period of time.
